## YOUR PERFECT WEDDING DAY

No two weddings are the same. You should expect something special. Our skilled and attentive wedding co-ordinators will work with you to ensure that your day exceeds every expectation.

Keavil House Hotel enjoys an excellent reputation for glamorous, high quality weddings – a reputation earned from years of providing professional, individual weddings and memories to last a lifetime.

Situated in 12 acres of extensive landscaped gardens, with mature trees and abundant flowers, Keavil House Hotel provides a magical setting for your wedding photographs. Perfect, too, for reception drinks on the lawns.

Whether in winter or summer, our historic country house with its sophisticated interior, blending classical and contemporary styles, offers a wonderfully warm and elegant setting for a truly memorable day.

*We recently got married at the Keavil House Hotel and we had an amazing day. The staff, the venue, the food, the rooms, the wedding suite were honestly outstanding.*

## YOUR MARRIAGE CEREMONY

Why not hold your Marriage Ceremony with us here at Keavil too? It's a wonderful idea to get married – enjoy your wedding reception and wedding celebration lunch all in one place. Keeping logistics simple on the day ensures that you and your guests can totally relax.

We are licensed to hold religious, civil wedding and civil partnership ceremonies.

Your service is unique and can be small and intimate in one of our private dining rooms or large and grand in one of our stunning suites. Or hold your ceremony outside in our beautiful, secluded gardens.

*We could not have asked for a better venue for our wedding! The venue itself is beautiful, with amazing gardens and gorgeous rooms – just perfect.*

## YOUR PERFECT WEDDING VENUE

Whether you choose the sophisticated Elgin Suite or our glamorous Mountbatten Suite, (250 and 120 respectively), your guests will be treated to the warmest Scottish hospitality in Fife's most lovely venue.

A special feature of the hotel is that both suites have direct access to the hotel gardens and lawns.

*The service was second to none and for this we are so thankful. Our guests had an amazing time, thoroughly enjoyed their meal and the buffet in the evening! All in all a magical day that we will remember fondly forever.*

## YOUR WEDDING CELEBRATION LUNCH

Delicious food is one of the most important aspects of any wedding reception. Our team of talented chefs will ensure that your chosen menu is prepared with care and flair.

Our chefs are skilled at preparing menus for large numbers and will discuss options with you. We use only the best locally sourced, fresh, quality produce.

For that extra special touch, add a selection of our home-made canapés with your welcome drinks reception.

We provide special dietary menus and children's menus too.

## WINTER WEDDINGS

A magical charm descends on Keavil for autumn and winter weddings. The trees turn gold and – the snow may fall. Looking out from the warmth onto the landscaped winter gardens is enchanting.

Rich autumn colours create the perfect back drop to candlelight and, if you're really lucky and blessed with a 'white wedding', the scene is dreamy.

Our Head Chef delights in creating warming winter menus, treating your guests to the very best the season has to offer.
